## ABOUT

As a Senior Shareholder and Contract Attorney with the firm, Tom brings over three decades of impressive legal experience to the table. His areas of expertise include workers’ compensation, insurance defense, third-party subrogation, personal injury defense, and alternative dispute resolution.

Admitted to practice in both Minnesota and Federal Courts, Tom’s distinguished career has included serving as Staff Counsel for a major insurance company and practicing at both a respected law firm and his own successful firm. Taking enjoyment from working with his staff in support of clients, his deep knowledge and strategic insight make him a trusted resource and valued leader within the firm and the legal community.

When not in the office, Tom enjoys spending time in the great outdoors at his cabin — hunting, fishing, biking, swimming, and soaking up quality time with his family.
